# НОВОГОДИШЊА ЧЕСТИТКА

**Бојанка ( Paint ) има много могућности за рад. То је сјајан програм. Искористићемо га да направимо новогодишњу честитку.**

## „Копирај” и „сачувај”

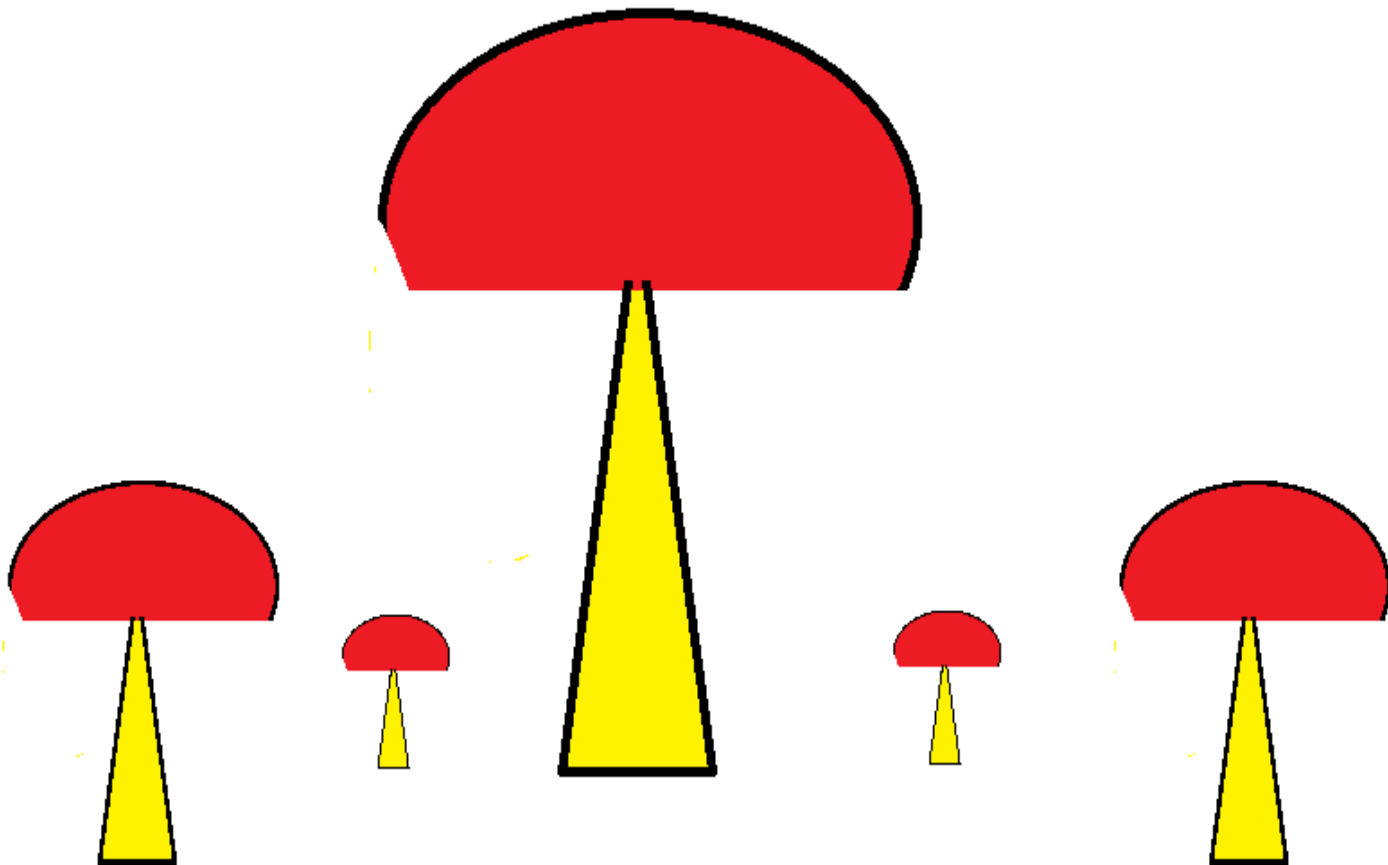

- Помоћу команди „изабери део слике”, „копирај” и „сачувај” цртамо печурке, ракете, срца... Прво једну, а затим копирањем добијамо више њих.
- Помоћу команди „окретање и извртање слике” и „промена величине слике” печурке, ракете, срца... могу бити различитих величина и у различитим положајима.
